Agenda No. Item 3.2
Agenda Item Title: Resolution of Consent for Proposed Blanket Authorization
Environmental Determination: Exempt
Staff Contact: Mark Bramfitt and Cynthia Olson

Analysis

Background

At its March 1, 2023, meeting, the Commission reviewed and considered Staff's request for a blanket authorization regarding the extension of additional public services to Accessory Dwelling Units (ADUs) on parcels currently served by an agency but outside of its jurisdictional boundary. These parcels are located within geographically defined agreement or assessment areas that were established prior to 2001.

The Commission accepted staff's proposed blanket authorization and directed staff to bring a resolution of consent back to the Commission at its next meeting.

Attached is a draft resolution for the Commission's consideration.

Recommendation

Staff is seeking commission approval of the draft resolution.
