NOTICE OF PROTEST HEARING GOLD RIDGE FIRE PROTECTION DISTRICT REORGANIZATION

NOTICE IS HEREBY GIVEN by the Sonoma Local Agency Formation Commission that the Commission will hold a public hearing on Wednesday, June 7 at or after 2:00 p.m., at the Board of Supervisors Chambers at 575 Administration Drive, Santa Rosa.

The purpose of the hearing is for the Commission to receive **written protests** filed against the following item:

File No. 2023-02: Gold Ridge Fire Protection District Reorganization No. 2023-02 Involving Detachment of areas from County Service Area 40 – Fire Services, and Annexation of That Same Territory to the Gold Ridge Fire Protection District

The proposal was initiated by resolution of the Board of Directors of the Gold Ridge Fire Protection District (Gold Ridge FPD) and by the Board of Supervisors of the County of Sonoma. The District submitted an application including a plan for serving the affected territory. These documents can be viewed on the Commissions website at www.sonomalafco.org/proposals-and-projects/gold-ridge-fire-protection-district-reorganization

The short form designation is Gold Ridge FPD Reorg No. 2023-02 (CSA 40)

The territory to be annexed to Gold Ridge FPD comprises those parcels located within County Service Area 40 comprising Incident Response Plan Area 81 and parcels served by the Lakeville, San Antonio, Willmar, Two Rock, Bloomfield, Valley Ford, Bodega, Camp Meeker, and Fort Ross Volunteer Fire Companies.

The reason for the reorganization is to achieve greater economy and efficiency in providing fire protection and emergency medical services for the residents of and visitors to the district.

Owners of property annexed to the Gold Ridge FPD will be subject to special taxes, including parcel taxes, that the District collects due to voter-approved tax measures. For a typical single-family home, the current assessed parcel tax is \$265 per year.

To determine the taxation level for your property, please contact the District at 707-823-1084.

The Commission approved the reorganization by Resolution No. 2768 on April 5, 2023, which sets forth a full and complete description and the terms and conditions of the Commission's approval. The Commission found the proposal exempt from the California Environmental Quality Act (CEQA), pursuant to Sections 15061(b)(3) and 15320 of the State CEQA Guidelines.

HOW TO FILE A PROTEST

(Please read carefully)

Any registered voter residing within, or owner of land located within, the territory proposed to be annexed to the Gold Ridge FPD may file an official protest. All protests must be made **in writing**, must **contain the specific information** stated below as required by law and must be **received during the official protest period**, which begins as of the date of this notice and ends at the close of the protest hearing on June 7, 2023.

Registered Voter: All protests submitted by a registered voter must be signed, dated, and include the name of the voter and the voter's residence address.

Landowners: All protests submitted by a landowner must be signed, dated, and include the name of the landowner, the street address of the land owned within the affected territory, and the Assessor's Parcel Number or other description to identify the location of the land.

Landowners that own more than one parcel within the annexation boundary may file a protest for each parcel. All owners on title for a parcel may vote and the individual vote will be calculated based on the proportional share of ownership.

It is not necessary to state a reason for filing a protest. Anyone who has filed a protest may withdraw it at any time before the end of the June 7, 2023, hearing. If sufficient protests are filed within the protest period, confirmation of the reorganization may be placed before registered voters through an election, or the reorganization may be terminated.

Copies of the protest forms are enclosed and are available on the Commission's website at www.sonomalafco.org/proposals-and-projects/gold-ridge-fire-protection-district-reorganization or at the LAFCO office. Use of a protest form is not required, but a protest must meet all the requirements described in this notice.
